

## **NOVEMBER SPECIALS**

### **Going EAUm for Thanksgiving**

We the people adore piling in together with friends and family to enjoy all the home cooked goodies, savory dishes and spirited libations that Thanksgiving brings each year. This lively kick-off to the holiday season is filled with scrumptious fragrances of spices, fruits and sugary delights. At Eau Spa, we have created a menu equally as indulgent with none of the hassle or guilt. You are cordially invited to delight in our magnificent treatments dedicated to this magical time in autumn that makes us feel loved, comforted and accepted. Welcome Home!

#### **Turkey Neck Facial**

If you are what you eat, then we have some work to do. Turkey necks are for the birds, but dont get your feathers in a ruffle. We have combined the powers of Dr. Gross Alpha Beta Peels with the good vibrations of NuFace to have you looking like a spring chicken in no time.

**60 minutes for \$240**

#### **Sweet Potato Marshmallow Casserole Manicure**

On Thanksgiving, we like a little sweet potato with our toasted marshmallows. We love this dish so much, that we have created a manicure as an homage to it, and it is just as fluffy, sweet and delicious as the real thing. Warm up chilly hands with an oven-worthy exfoliation and moisturizing treatment of cinnamon infused oil, whipped honey salt scrub and an anti-aging hand mask made of organic pumpkin and clay puree. As if that was not decedent enough, we end with a marshmallow melt shea butter massage.

Please mind your manners, and resist licking your fingers.

**45 minutes for \$65**

#### **Kentucky Pecan Pie Pedicure**

Is your family like pecan pie - mostly sweet with a few nuts? Well, so is our Kentucky Pecan Pie Pedicure, so get ready for some real Southern hospitality. You will begin your syrupy voyage with a nectar milk bath foot soak followed by a distilled scrub spiked with brown sugar, spice and everything nice. Your supple toes will be polished to your pleasing, but not before you receive an extravagant foot, ankle and leg massage with the goodness of whipped marshmallow shea butter. Come alone or share with a sweetie pie of your own!

**60 minutes for \$75**
