SPA

Tighten & Tone Face and Neck Facial 60 Minutes, \$280

No Turkeys here! If you are what you eat, then we have some work to do. Turkey necks are for the birds but don't get your feathers in a ruffle. We have combined the powers of Dr. Gross Alpha Beta Peels with the good vibrations of NuFace to have you looking like a spring chicken in no time.

Snickerdoodles and Milk Massage 60/90 Minutes, \$205/\$280

There is little more comforting than a hot, warm, cinnamon cookie right out of the oven. When chased with a cold shot of milk, you have the perfect recipe for a delightful holiday treat. Our no-calorie version spares none of the sugar, dairy, or warmth, yet yields the same luscious indulgence. This full-body massage utilizes Red Hot Sparkling Oil, an antioxidant-rich sweet-cinnamon emulsion, wraps you up in Butter Brulee Milk Bath hot towels, and leaves you smelling cinnamony delicious!

Uncle Bob's Bourbon Boot Polish 30 Minutes, \$45

This bourbon bemusement is the perfect way to pick up your spirits even if your holiday has started off on the rocks. Those barking dogs deserve a soak in our coconut cream milk, followed by a good Bourbon Bubble Scrub and leg polish. Our Agave Nectar massage is an indulgent way to moisturize and soften skin. Come in, kick your boots off, and stay awhile.

You Had Me at Merlot Body Wrap 90 Minutes, \$299

Whether your glass is half full or half empty, there is clearly room for more wine! Begin your journey through Eau Wine Country with a hand-drawn Nectar Milk Bath in one of our gorgeous, garden bathtubs. After your skin drinks in the moisturizing and soothing soak, you will wine down with an exfoliating Rasmopolitan Vodka Scrub. Then you'll be wrapped in resveratrol, wine's super powerful antioxidant, which will detoxify you, and end with a velvet buttercream massage that will leave you soft and silky. Start spreading the booze.

SALON

Sweet Potato Marshmallow Casserole

Manicure 45 Minutes, \$65

On Thanksgiving, we like a little sweet potato with our toasted marshmallows. We love this dish so much, that we have created a manicure as an homage to it, and it is just as fluffy, sweet, and delicious as the real thing. Warm-up chilly hands with a sweet exfoliation and moisturizing treatment of cinnamon-infused oil, whipped honey salt scrub, and an anti-aging hand mask made of organic pumpkin and clay puree. We'll end with a decadent marshmallow melt Shea butter massage. Please mind your manners, and resist licking your fingers.

Kentucky Pecan Pie Pedicure 60 Minutes, \$75

Is your family like pecan pie—mostly sweet with a few nuts? Well, so is our Kentucky Pecan Pie Pedicure. Get ready for some real Southern hospitality. You will begin your syrupy voyage with a nectar milk bath foot soak followed by a distilled scrub spiked with brown sugar, spice, and everything nice. Your supple toes will be polished to your pleasing, but not before you receive an extravagant foot, ankle, and leg massage with a slice of whipped marshmallow Shea butter. Come alone or share with a sweetie pie of your own!
