### **Group Fitness Class Descriptions**

**Beachside Yoga** – Sun salute. Wake up your energy and experience the many benefits of daily Yoga practice. Start your day beachside overlooking Eau's exclusively private sand. Enjoy a creative, fluid practice of an open level Vinyasa with sequences linking breath and movement. Meet in the Fitness Studio, class is held in Tranquility Pool courtyard.

**Body Sculpt** – Sculpt and shape your entire physique in this weight training class, while blasting tons of calories. Free weights, body bars, medicine balls, and steps are utilized to help you design your most amazing athletic body.

**Gentle Yoga** – This practice is designed to restore the nervous system and help release deeply held tensions from the body and mind. Props will be used to support the postures, while gently stretching and strengthening the body.

**Body Blast**- this is a cardio charged workout that is high energy and motivating! This training class incorporates challenging cardio segments, resistance training, and intense core work using diverse fitness equipment to blast your body into shape fast.

**H.I.I.T.** - High Intensity Interval Training-A cardiovascular exercise alternating short periods of intense anaerobic exercise with less intense recovery periods. You will burn more fat in less time, build a healthier heart, lose weight not muscle.

**Mat Pilates** – Traditional Pilate's core exercises are performed on a mat to help achieve a beautiful shape. Pilates training is especially good for strengthening the abdominals and lower back, while improving posture and alignment.

**RealRyder® Spin** – The ultimate 45 minute indoor cycling experience by working your body as a cohesive unit on an indoor bike! The RealRyder® Indoor Cycle tilts, turns, and leans – improving strength stability and coordination of the upper/lower body and core. Test your stamina on uphill sprints, jumps, rolling hills and more.
