XO – The Eau Spa Fairies

The “Hoppy” Husband’s Bath on Tap

195 Minutes, \$875 Per Person | Prefer a Brew for Two? \$1,550 Per Couple

Soaking in suds is the best possible way to celebrate such “hoppy” occasions as Husband Appreciation Day on April 17th and National Beer Day on April 17th, so grab your buds and have some fun in the suds! Active beer yeast paired with hops leaves your skin buzzed with Vitamin B and proteins, and some studies say that soaking in beer can even increase bone density (as if you needed another reason to give in to the urge to submerge). After a “brewtiful” scrub slip into a bathtub of this dark, caramel-like brew, which warms the body and softly peels and purifies. You may sip on a beer flight and be treated to a 60 Minute redflower Massage and 60 Minute Eau Naturelle Facial.

The Perfect Champagne & Caviar Couple’s Journey

Five Hours, \$855 Per Person | \$1,750 per Couple

Command everything from the color of the room to the music style as you sip Champagne and feed one another caviar in the repose of your own Private Garden Villa. 45 Minute Manicure, \$75 Per Person | 60 Minute Pedicure, \$95 Per Person

Enjoy both with spa access for \$170 Per Person

Vinotherapy

Follow the sound of the pop of the cork and the clink of crystal. Get love drunk in one of our singles or Couple’s treatments where intoxication comes without the hangover. Champagne’s delicate bubbles contain antioxidants and polyphenols that claim to fight signs of aging and reduce skin inflammation, so using it in a spa treatment was bound to happen.

I Shot the Champagne: 10% off all house Champagne bottles.
