Red Light Therapy increases blood flow, while gently exfoliating dead skin and infusing nutrients and active ingredients into the skin. This is accomplished with Red Light Therapy and ultrasound.

Ultrasound waves maximize the infusion of nutrients and active ingredients into the deep layers of the skin.

OXYGENEO 3-IN-1 SUPER FACIAL™

Inspired by the long-known therapeutic effect of hot springs, Oxygeneo™ was designed to

enrich the skin with oxygen from within the body,

provided anti-aging protection, in addition to

stimulates collagen, reduces inflammation, and

deep layers of the skin.
